Remarks.

12. Brief justification on selected site particularly highlighting environmental considerations

All possible efforts have been made in designing the project to minimize negative impacts on the environmental and social aspects. An underground road tunnel has been proposed to be constructed under the Kaimur Wildlife Sanctuary to avoid destruction on its ground surface. The project passes through some plantations along the some highways/ canals which is notified as Protected Forest. Accordingly, project involves diversion of forest land at crossing points of notified PF on highways/ canals.

13. Upload copy of note containing justification for locating in the selected site

Justification.pdf

14. Whether there is any Government Order or Policy/ Court order relevant or restricting to the site?

NO

15. Whether there is any litigation pending against the project and/or land in which the project is proposed to be set up?

NO

16. Whether the proposal involves violation of Act/Rule/Regulation/Notification of Central/State Government?

NO

Part-I & Part-II (Seeking recommendation of Standing Committee of NBWL/ SBWL)
