

EDS No			Reply by PP
1	1	With reference to your proposal it has observed that. Capacity is also not mentioned in SI No 5.1.2. please provide the reason for the same or add correct the details	Capacity is mentioned at 7.1.5.1. For clarity BRBCL capacity is 4*250 MW
	2	EC was granted in 2004 for 5 years. Please provide the date of commissioning of the project and whether it is well within the EC validity period or not	Environmental Clearance for "4x250 MW Nabinagar Captive Thermal Power Project near village Dhundwa, district Aurangabad, Bihar" was accorded by MOEF&CC on dated 03.08.2004, before Environmental Impact Assessment Notification dated 14.09.2006 and it was valid for 5 years for construction/operation of the power plant (as per condition no-5, EC dated 03.08.2004). As the construction of the project was started on 22.01.2008, copy of agreement is attached. The Environmental Clearance is valid.
	3	Further, it has mentioned in the Form that the project involves 4.5425 Ha of forest land. Please confirm whether the FC stage II has been obtained or not and provide the copy of Stage-II FC	Stage 1 FC is yet to be received. Inspection report dated 08.06.2023 by Conservator of Forest Gaya Region MoEF GoB is attached as Annexure-7
	4	In addition to above, please provide details as per attached annexure. It is requested submit the revised form with complete details and annexures	Checklist is attached
2	1	Please provide complete reply to earlier EDS with duly filled checklist along with supporting documents.	Checklist with annexures are attached
	2	Status of FC obtained with chronology and copy of FC for entire area as mentioned in form. Whether any activity has been carried out without Stage II FC	Checklist with chronology of FC is attached. However, for perusal it is again mentioned here
	3	Capacity is also not mentioned in SI No 5 of Form 7	Already answered at EDS 1 S.No 1
3	1	Complete Status of FC obtained with chronology not provided as sought in the last previous EDS. PP may provide detailed chronology of complete area of Forest Land.	Checklist with chronology of FC is attached. However, for perusal it is again mentioned here
	2	As per the checklist provided, it is mentioned that there is no change in Ownership but in application form it was	Ownership is changed. Checklist is again attached.

		mentioned that there is change in Ownership. PP to Kindly clarify. PP to be provide complete checklist along with support documents.	
	3	KML file area (450.51 Ha) not matching with land requirement (617.638 Ha) mentioned at Sl.No 6 of CAF where as in Original EC area was 1700 acres. PP to provide correct KML file as per Original EC.	Corrected KML File is attached
EDS 4	1	Please provide complete reply to earlier EDS with duly filled checklist along with supporting documents. Status of FC obtained with chronology and copy of FC for entire area as mentioned in form. Whether any activity has been carried out without Stage II FC. Capacity is also not mentioned in Sl No 5 of Form 7.	Already replied. Checklist is attached. Chronology is mentioned at bottom of this table. Also mentioned in checklist .
EDS 5	1	As per the proposal submitted, EC was accorded for the 4*250 MW project on 03/08/2024.As per the said EC total land is 1700 acres and no forest land is involved. However, in the EDS reply furnished, it has been stated that there is involvement of forest land. The involvement of forest land has been deliberately suppressed by the PP since May 2020.It is requested to submit explanation for suppressing the information regarding involvement of forest land.	Final letter issued by district administration for obtaining forest clearance vide ref letter 2710 dt:06.07.2022. Since then BRBCL is following up consistently. As far as suppression of fact is concerned, it was not intentional and already mentioned with this application. It is being solemnly affirmed that it will not be repeated and accordingly it may be condoned
	2	Further several contradicting statement have been made by the PP in the EDS replies. For instance with respect to implementation of EC it is stated that project has been partly implemented whereas CTO says project has been fully implemented.	In all EC six monthly compliance report it is being mentioned about status of all EC points as per actual status. AS far as CTO is concerned, some points like FGD commissioning etc. itself is being mentioned by BSPCB with targets date. However, being responsible corporate it is being reaffirmed that any new directions/order issued will be complied in toto in future too.
	3	Point wise fresh reply of all EDS points	Already replied above

1. Forest Land (declared later) status

a. Make up water	0.855 acres	0.346 ha	Forest clearance granted(att.)
b. Railway corridor	5.80 acres	2.348 ha	Forest clearance granted(att.)
c. Fly ash evacuation	4.5 acres	1.821 ha	(inspection completed, under ROB (through Township) approval from MoEF&CC GoB attached as annexure-7

Chronology of 4.5 acres land declared by [Dist. Administration Aurangabad](#) dt:06.07.2022

1. 9.19 acres of Land transferred to BRBCL as Govt. Land dt:24.07.2009
2. Later 4.5 acres out of above land was identified as private land and accordingly denotified dt:15.05.2015
3. Later Dist. Administration rejected above land as private land dt:25.07.2019
4. Dist. Administration ordered BRBCL to execute the work dt:21.10.2019
5. DCLR and SDM Aurangabad passed an order to obtain Forest clearance of 3.85 acres by BRBCL under Forest conservation Act 1980 dt: 05.05.2020.
6. BRBCL also requested for appropriate direction to use balance 0.65 acres of land of this plot Dt:10.06.2020
7. [Dist. Administration Aurangabad further informed that proposed land is Forest Land and advised to take permission from Forest Dept. dated 06.07.2022](#)
8. BRBCL approached DFO Aurangabad who advised to take forest clearance from GOI prior to project work other than forestry work on the subject land dt:06.08.2022
9. Accordingly application is submitted with MoEF&CC Patna on 27.04.2023-Clearance is awaited and work is not carried out there
