Sub:- Application related to 'No Increase in Pollution Load' due to upgradation of project-reg.

Ref:-Your application dated-11.03.2022 and deliberations of Expert Committee meeting dated-07.04.2022.

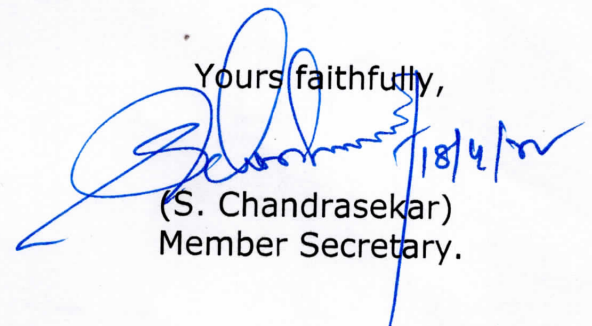

Sir,

With reference to your application dated-11.03.2022 along with necessary documents and presentation before the Expert Committee constituted vide-BSPCB order no. 166, dated-27.12.2021, it is to inform that No Increase in Pollution Load Certificate is in order.

Therefore, further EC is not required for the said expansion/ increase in production capacity hence unit is directed to obtain CTE by submitting online application through OCMMS.

Please note that it is the responsibility of the project proponent to ensure 'No increase in pollution load' as a result of expansion/increase in production capacity and he/she shall be liable for action under the provisions of the Environment (Protection) Act, 1986 if on verification of facts it is found that such change or expansion or modernization has resulted in increase in pollution load.

Yours faithfully,

(S. Chandrasekar)
Member Secretary.
