

Details of Action Plan for the issues raise during the Public Hearing

S.No	Name & Address	Issues Raised by Locals/Public	Answers given by Consultant (Response/Action Plan)
1.	Shri Munna Kumar S/o Parshuram Singh, Village- Panchrukhi, District - Gaya	It was told by them that water sprinkling is to be done to prevent dust particles but it is not done by Lessee, then what will they do.	In this regard, it was told by the environmental consultant of the project proponent that for the prevention of dust particles, sprinkling of water three to four times a day will be done regularly by Lessee. Villagers can complain to the District Magistrate and District Mining Officer if the lessee does not, because they have to submit the compliance report every six months to the competent authority.
2.	Shri Mukesh Kumar (Head of Village) S/o Late Chainnarayan Paswan, Village – Panchrukhi, District – Gaya	It was asked by him, that how many plants are going to be planted during the mine period.	In this regard, it was told by the environmental consultant of the project proponent that about 170 trees and plants are to be planted in vacant places under this project, but If you want to plant more, you can show Lessee an empty space and ask her to plant as many trees and plants as possible.
3.	Shri Baliram Yadav, S/o Karu Yadav, Village – Lalganj, District- Gaya	What benefit will we get from sand mining by them; A related question was asked.	In this regard, it was told by the environmental consultant of the project proponent that during the lifting of sand, priority will be given to the local citizens in the maintenance of trees and other works according to their ability, and drinking water will be arranged for the villagers as per the requirement by Lessee. Along with this, due to sand mining, the revenue of the government will increase. In this way Mr. Baliram Yadav Satisfied with the answer.
4.	Shri Upendra Yadav, Village – Murarchak, District- Gaya	A question was asked by them regarding road jams and accidents due to sand transport at the time of children going to school.	In this regard, It was told that vehicles laden with sand will not be allowed to be operated at the time of children going to and from school. Also, provision for compensation by the government in case of any untimely accident during sand transportation, in which the compensation will be given by the transport department in light of the new notification dated 15.08.2021. In this way

			Mr. Upendra Yadav was satisfied by presenting his answer.
5.	Shri Vinay Kumar, Village-Pachlakh, District-Gaya	A question was asked by them regarding destruction of roads due to vehicular moment.	In this regard, it was told that if any village road gets damaged due to vehicular moment, than the lessee will construct and maintain that road. In this way Mr. Vinay Kumar was satisfied by presenting his answer.
6.	Shri Anuj Kumar S/o Shri Parmeshwar Mahto, Village-Pachlakh, District-Gaya	A question was asked by them regarding the Royalty amount of Sand for Villagers.	In this regard, it was told by the ADM, that according to the order of 2019, the rate for sand will not be lowered than the already specified rates. In this way Mr. Anuj Kumar was satisfied by presenting his answer.
