Details of Action Plan for the issues raise during the Public Hearing

S.No	Name & Address	Issues Raised by Locals/Public	Answers given by Consultant (Response/Action Plan)
1.	Shri Jitendra Rai S/o Late Ram pravesh Singh, Village- Beluati, District - Gaya	Questions were asked related to the dust particles and water sprinkling emitted by them during sand transportation.	In this regard, it was told by the environmental consultant of the project proponent that to control the dust particles emitted during sand transportation, water will be sprinkled three to four times a day. During the transportation of vehicles laden with sand, water will be completely sprayed. Vehicles will be transported covered with tarpaulin. Thus, he satisfied Shri Jitendra Rai by presenting his answer.
2.	Shri Raju Kumar Ranjan S/o Shri Kuldeep Singh, Village- Bara, Garuwa, District - Gaya	The following suggestions were given by him:-	- During transportation of vehicles laden with sand, the vehicles should be completely covered with tarpaulin. - Sand mining should not be done at too deep a depth which may cause problems to the common citizens. - During the period of sand mining, maximum tree plantation should be done. - Local citizens should be given priority employment during sand mining and other work. - Whatever sand mining is done, it should be as per the guidelines of the government. The above suggestion was accepted by the proponent representative.
3.	Shri Devendra Kumar Patel S/o Late Bindeshwar Patel, District- Gaya	It was suggested by them that whatever sand mining is done, it should be in accordance with the guidelines of the	The above suggestion was accepted by the proposing representative.

		government and maximum tree plantation should be done.	
4.	Shri Mukesh Kumar, S/o Shri Vinesh Yadav, Village- Chachubigha District- Gaya	It was also suggested by them that whatever sand mining is done, it should be in accordance with the guidelines of the government.	The above suggestion was accepted by the proposing representative.
