Details of Action Plan for the issues raise during the Public Hearing

S.No	Name & Address	Issues Raised by Locals/Public
1	Shri Ajit Kumar Address- Sirsa, Roshanganj, District- Gaya	It was told by them that due to lifting of sand the water level in the river decreases. There is problem in Patwan. The sand ghat should be closed. Complaining that sand should not be lifted, a demand was made not to open the ghat.
2	Mohammad Ayub Ali Address- Banke Bazaar, District- Gaya	It was told by them that the former District Council said that due to the lowering of the water level, Patwan is not possible. There should be no lifting of sand. The environment deteriorates. Since it is a rural river, sand should not be lifted; Complaining about, a demand was made not to open the ghat.
3	Shri Shiv Shankar Singh, Address – Banke Bazaar, District- Gaya	They told that the river has become deep due to sand lifting. Water will not enter the pan. The pond has dried up due to the rise of sand from the river. The hand pump has dried up. There should be no lifting of sand and a complaint was made that the ghat should not be opened.
4	Sajid Ahmad Vari, Address –Dumriya, District – Gaya	It was told by them that the river causes rain. The sand layer is only 2 to 3 feet. The hand pump has dried up. Wild animals are dying. The well has dried up. There should be no lifting of sand for the safety of the population of six lakhs in this area; complaining that the ghat should not be opened
5	Ashraf Ali Khan, Address – Khera, Banke Bazaar, District- Gaya	It was told by them that water comes in Morhar river during rainy season. This is what makes Patwan. Due to lack of water all living beings will be affected. There is no water going into the canal. The man also drowns. There should not be lifting of sand: complaining that a demand was made not to open the ghat.
6	All the local residents present in the public hearing unanimously said that there is no sand in this sand ghat. There has been a lot of sand lifting on this ghat in the east, due to which potholes have been formed in the river at some places, due to which the villagers remain afraid of children and cattle drowning. The pan level of the river is also not equal, due to which the villagers face difficulty in irrigation; Demand was made not to open this sand ghat
