Details of Action Plan for the issues raise during the Public Hearing

S.No	Name & Address	Issues Raised by Locals/Public
01	Shri Chandan Kumar, Address: Amwan, District: Gaya.	It was suggested by them that Amwan sand Ghat should be started as soon as possible so that the rural people can get employment. It was also requested that during sand mining, local people's tractors should also be used to transport sand. The above suggestion was accepted by the proposing representative. <i>Villager's tractors will be used for sand transportation and as soon as the mining will start local people will get employment.</i>
02	Shri Roop Narayan Kumar, Address: Amwan, District: Gaya.	It was suggested by both these persons that to prevent the dust particles emitted during sand transportation after mining, water should be sprinkled regularly during the day, during the transportation of vehicles laden with sand, and the vehicles should be completely covered with tarpaulin. Transportation should be covered and employment should be given to local citizens on priority basis. It was also requested that Amwan sand Ghat should be made operational as soon as possible. The above suggestion was accepted by the proposing representative. <i>Water sprinkling will be done regularly to emit dust emission and all the trucks and vehicles carrying sand will be covered by tarpaulin sheet.</i>
03	Shri Shiv Pujan Kumar, Address: Amwan, District: Gaya	
04	Shri Sanjeev Kumar, Address: Amwan, District: Gaya.	It was suggested by them that sand mining operations should be started so that illegal sand mining can be stopped and the government's revenue from sand mining will also increase. The above suggestion was accepted by the proposing representative.
05	Shri Santosh Kumar, Address: Ratnara Ganga Bigha, District: Gaya.	It was told by them that during the transportation of sand, the students going from the villages situated on the river banks face a lot of

		problems and complaining about the bad condition of the road, a demand was made not to open the Ghat. <i>Proper care should be taken that students will not be get disturbed and for that road will be maintained regularly.</i>
06	Shri Rampravesh Kumar, Address: Ratnara Ganga Bigha, District: Gaya.	It was told by them that there has been no rainfall in this area this year, due to which there is no water in the river and during the previous excavation, sand has been lifted too much, due to which many potholes have formed at some places. Due to which villagers remain afraid of children and cattle drowning; While complaining, a demand was made not to open the Ghat. <i>Sand will be mined as per the mine plan and upto a certain depth, it will taken care that while mining potholes will not form.</i>
